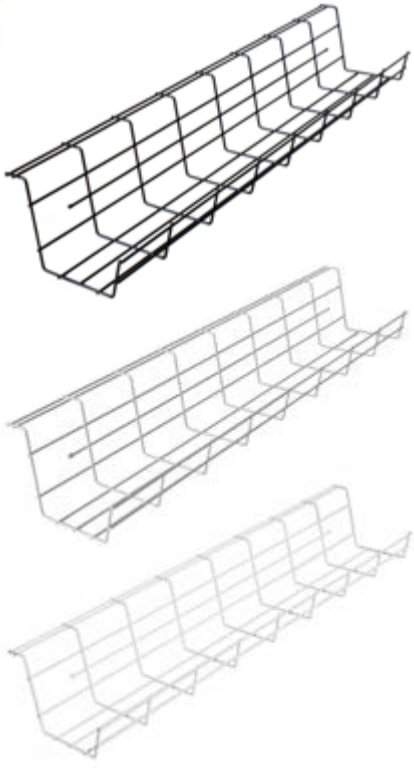
“Ränna”
Cable Tray

by Kondator



“Ränna”
Available in black, silver and white version to suit the workplace.

Simple, firm & functional

With a cable tray and additional accessories, you create a pleasant working atmosphere. It reduces the typical boring cable bundles and other loose hanging connectors. As a bonus, the workplace becomes even easier to clean.

“Ränna” is designed for placementg under the desktop. Very simple to install with plenty of room for power strips. May also be cut to length for perfect fit. Preperad for ground connection.
